**Statement of Understanding and Consent:**

I have applied to \_\_\_\_\_/People First Solutions for employment. Part of the screening process includes a criminal record check based upon information as maintained on file by the Canadian Police Information Centre (CPIC). The screening process also includes a consumer credit inquiry with retrieval of information from a major Canadian credit bureau. These investigations are conducted by BackCheck (a division of The Confidence Group Enterprises Inc).

I hereby request and authorize a Canadian Police Department to disclose on my behalf to BackCheck who is requesting the criminal records check on behalf of \_\_\_\_\_/People First Solutions the records, details and dispositions of any and all records that exist on me or those that are awaiting entry into the CPIC system as relates to the following:

a) Records of criminal convictions for which a pardon has not been granted, and conditional and absolute discharges and stays of proceedings which have not been removed from the CPIC system in accordance with the <i>Criminal Records Act</i> ;	
b) Wanted person information;	d) Probation information;
c) Charges pending or outstanding under federal statutes;	e) Other Police Service information.

Furthermore, I consent to a consumer credit inquiry which will include information about me, including any previous bankruptcies, legal items, collection actions, negative banking items and other information reported by my creditors. I consent to the release of this consumer credit information by BackCheck to \_\_\_\_\_/People First Solutions.

I understand that disclosure of this information may preclude me from obtaining employment. I authorize BackCheck to release all information obtained to \_\_\_\_\_/People First Solutions and hold harmless BackCheck and The Confidence Group Enterprises Inc. upon the release of this information or its findings to \_\_\_\_\_/People First Solutions.

I understand that failing to provide accurate information or omission of facts herein may disqualify me from consideration for employment with \_\_\_\_\_/People First Solutions. Furthermore, I consent to provide my fingerprints for comparison if information provided by myself is in conflict with that disclosed by the Canadian Police Department during this investigation of my criminal records history.
